Contact no: +918840938886

CAREER OBJECTIVE:

To seek challenging assignments and responsibility, with an opportunity for growth and career advancement as successful achievements. To succeed in an environment of growth and excellence and earn a job which provides me job satisfaction and self-development and help me achieve personal as well as organizational goals. To obtain a challenging career and excel as a quality professional in a highly challenging and stimulating environment, where I can use my skills and expand my knowledge with the organization.

EDUCATIONAL QUALIFICATION:

- Completed High School from Central Academy with 83.8% marks in 2009.
- Completed Intermediate from Central Academy with 79.8% marks in 2011.
- Completed degree in B. Tech from Uttar Pradesh Technical University in Year 2015 with 68.00% marks.

PROFESSIONAL SUMMARY:

Strategic Technical Lead with over 9 years of experience in Cisco/Cloud(Zoom/Webex) Collaboration and Network Automation. With Haddon in Development & Testing Full-Stack automation tools and leveraging LLMs and GitHub Copilot to accelerate development. Specialized in secure automation through CyberArk integration, managing global voice solutions, and leading L3/L4 technical escalations.

PROFESSIONAL EXPERIENCE:

WIPRO | Technical Lead – Voice Operations June 2022 – Present

- Secure Automation & CyberArk: Integrated CyberArk with Python automation frameworks to ensure secure, vault-based credential management for automated maintenance and compliance checks.
- AI-Assisted Development: Utilize GitHub Copilot and LLMs to optimize Python scripts, reducing code development time and improving reliability for global voice infrastructure.
- Full-Stack Tool Development: Designed end-to-end applications; developed responsive Frontends (HTML/JS) and robust Backends (Python) for real-time hardware monitoring.
- Hybrid Collaboration Management: Administer integrated environments spanning Cisco Unified Communications and Zoom Telephony, ensuring seamless interoperability and high availability.
- Infrastructure Design: Lead global Voice Infrastructure design; manage technical scoping and Sign-off for RFT (Request for Tender) and RFP (Request for Proposal).
- Security & Compliance: Developed automated workflows for VGW Certificate Renewals, ensuring 100% service uptime during certificate rotations.

TELUS INTERNATIONAL | Network Engineer (Collaboration & Cloud) Dec 2019 – June 2022

- Provided L2/L3 support for multi-cluster Cisco (CUCM/CUC/Expressway) and Zoom Cloud environments.
- Managed Webex Control Hub, Webex FedRAMP, and Amazon Connect cloud integrations.
- Troubleshoot complex SIP signaling and media stream issues across global VOIP deployments.

HCLTECH | Analyst – T2 Engineer (Network Infrastructure) Aug 2017 – Nov 2019

- Performed Tier 2 technical analysis and support for enterprise network and voice infrastructure.
- Monitored global network health, managing incident response and circuit-level troubleshooting.

TECHNICAL SKILLS:

- Automation & AI: Python (Netmiko, Selenium, Sync/Async Requests), LLM Integration, GitHub Copilot, Agentic AI.

- Security & PAM: CyberArk Integration (Secure credential retrieval for automation), IPsec, TLS/SRTP.
- Collaboration: CUCM, Cisco Unity Connection (CUC), Cisco Expressway, UCCE, SIP.
- Zoom Ecosystem: Zoom Phone (BYOC/PSTN), Zoom Meetings, Zoom Rooms Administration.
- Full-Stack Dev: HTML, JavaScript (Frontend), Backend DB Calls (SQL), REST/SOAP APIs.
- Design & Strategy: RFP/RFT Lifecycle Management, Infrastructure Auditing, Sign-off RFT/RFP.

Tech Projects:

- Full-Stack Voice Dashboard: Built a web-based tool using HTML/JS and Python (optimized with GitHub Copilot) to aggregate real-time hardware metrics via APIs.
- Secure Data Audit Tool: Developed a SQL-based solution to reconcile 160+ configuration points, utilizing CyberArk for secure database authentication.

Certifications:

- Webex Control Hub Admin April 2022 -2023
- Webex Ambassadors April 2022 -2023
- Amazon Connect Primer in April 2022
- AWS Cloud Architecture (Practitioner)-2026

PERSONAL SKILLS:

- Positive Attitude, Determined, High Energies.
- Hard Working and Sincere.
- Good decision making and analytical skills.
- Able to manage resources in a very efficient way.
- Training and Facilitation.
- Team Player.
- Excellent Communication skills.

AREA OF INTEREST:

- Learning Technology.
- Traveling.

- Listening Music.

LANGUAGE

- English Proficient.
- Hindi Proficient.

PERSONAL DETAILS:

Name : Prabudh Shukla.

Father's Name: Aviral Shukla.

Date of birth: 18th October 1993.

Passport No.: R8900268.

Gender: Male.

Nationality: Indian.

Permanent Address: House no. 538(115/A) Swarna Vihar Colony, Jarahara, near Manas Greens, Indira Nagar, Lucknow-226028.

DECLARATION:

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above mentioned particular.
